These products 80% produce by ourselves,20% produce by our cooperate company

Water Type Butterfly Valve, Flange Butterfly Valve, Lug Butterfly Valve, Eccentric Butterfly Valve, Gate Valve, Groove Butterfly Valve, Y-strainer, Ball Valve, Rubber Joint

SERVICE

**We have a lot of shortingcomings
and hope to get better with your help.**

Before P/O: All inquiry we will quote as soon as possible(within 24h)

Our team 24h standby.

if you need video conferencing, please make an appintment in advance.

your saler will prepare all document waiting you online.

we never supply lowest price to our customer,but we offer more than price

include 100% material,good painting,good quality parts,

customized certificate card,customized name plate,customized packing

About Customized just give us a sample we can produce exactly same with y

or give us you idea,we will do so much better than you think, if you not satis

we will revise again and again until you are satisfied.

PLEASE CHALLENGE THE POTENTIAL OF OUR TEAM.

By honesty, we did a lot of work before the order started,ensure the order goes smoothly.

In Production: Everyone sales need know the situation about produce every c

>3 times picture ,mesaage ,video send to you every week.

Engineer will discuss with sales about each type product deeply.

Quality Inspector will check material about product body disc and percent al

rubber ,handle painting & strength ,pressure test,packing and etc etc ,and th

send examining report to each sales.

we need let you know all about your goods

when worker assembly products they will do pressure ONE BY ONE ,not 1/10

we will actively avoid all accidents in our order.we consider all your request

reasonable,but there are some issues that we will give reasonable advice.

No matter what the quantity is ,we always treat them same.

There no small order or big order ,no important and not important customer

trust us that we are friend ,treat you brand your reputation same with us.

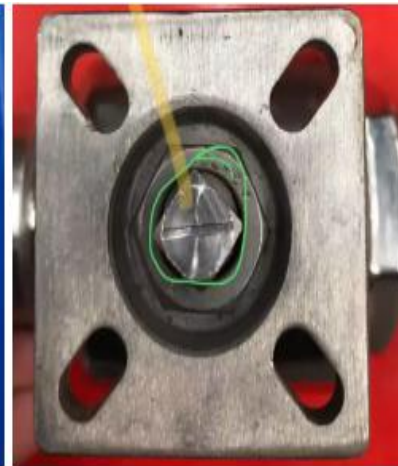

AFTER-SERVICE SERVICE

After-Sales Service: TWO-YEAR WARRANTY, ANY QUESTION ABOUT VALVES WE NEVER SHIRK ANY PROBLEM, NEVER SHIRK ANY RESPONSIBILITY.
 Even if there is a problem, please don't worry, all problems have solutions.

We have encountered a variety of problems, some of which are our cause, some of which are not, but we will be positive to help you find the best way to solve the problem. Please believe we have enough ability to do anything.

Sometimes we send emails asking about valve usage, if you have free time please give us feedback, it will help us better serve you.

1. Handle Mistake 2018.03
 Some Valve No Handle
 that day morning i recived this piceure from customer when he open this box in his country.
 . check contrat and waiting factory feedback
 .check how many handle we need
 .delivery handle only by UPS that day 13:00

2. Rust 2018.07
 About this order,in fact not our mistake,all we do as contract,and we do best packing.
 but we know customer can not use this type product.
 we send to customer enough SS bolt free delivery fee pay by customer.
 and in our next order ALL BOLT USE SS.

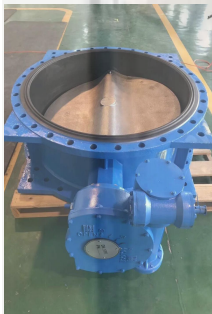

3. Wrong Size Stem 2019.03
 This is the biggest mistake we made.the customer is a good man,we deal in contract stem is 9mm*9mm,but all goods nearly 1000QTY,all 10*10mm, he said is ok, however 9 or 10 is ok, just some can not use other actuator.
 we said NO,so sorry.
 let all goods back !we will pay delivery fee and your loss.

PRODUCTS LIST

WAFER BUTTERFLY VALVE PN10/16 150LB 5K/10K
Actuator:Handle,Gear Box,Pneumatic,Electric...
Body:Ductile Iron GGG50,WCB,Stainless Steel
Disc:DuctileIron,CF8,CF8M,CF3M,1.4529,2507,Rubber,PTFE...
Shaft:45#,410,416,304,316,17-4PH
Seal:EPDM,PTFE,NBR,Naturl Rubber...

DOUBLE FLANGE BUTTERFLY VALVE PN10/16 150LB 5K/10K
Actuator:Handle,Gear Box,Pneumatic,Electric...
Body:Ductile Iron GGG50,WCB,Stainless Steel
Disc:DuctileIron,CF8,CF8M,CF3M,1.4529,2507,Rubber,PTFE...
Shaft:45#,410,416,304,316,17-4PH
Seal:EPDM,PTFE,NBR...

LUG BUTTERFLY VALVE PN10/16 150LB 5K/10K
Actuator:Handle,Gear Box,Pneumatic,Electric...
Body:Ductile Iron GGG50,WCB,Stainless Steel
Disc:DuctileIron,CF8,CF8M,CF3M,1.4529,2507,Rubber,PTFE...
Shaft:45#,410,416,304,316,17-4PH
Seal:EPDM,PTFE,NBR...

Y-Strainer PN10/16 150LB 5K/10K
Body:Ductile Iron GGG50,WCB,Stainless Steel
Net:Stainless Steel

GATE VALVE PN10/16 150LB
Actuator:HandleWheel ,Electric
Body:Ductile Iron GGG50,WCB
Bonnet:Ductile Iron GGG50,WCB
Gate:Ductile Iron + EPDM / Ductile Iron +NBR
Shaft:45#,410,416,304
Nut:Brass / Ductile Iron

PRODUCTS LIST

Wafer Check Valve PN10/16 150LB
Body:Ductile Iron GGG50,WCB,Stainless Steel
Disc: Ductile Iron,CF8,CF8M,CF3M,1.4529,2507
Seal: PTFE ,NBR, EPDM,304,316
Shaft:45#,410,416,304,316
Bolt: SS201

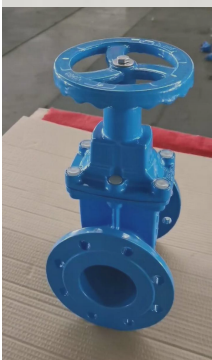

Ball Valve PN10/16 150LB
Actuator:Handle, Pneumatic,Electric...
Body:Stainless Steel 201,CF8,CF8M...
Ball: CF8,CF8M,CF3M...
Seal: PTFE ...
Type: 1pcs ball valve,2 pcs ball valve,3 pcs ball valve
 flange ball valve...

Rubber Joint PN10/16 150LB
Flange:Ductile Iron Galvanized,Painting,Stainless Steel
Connection:Rubber EPDM

Eccentric Butterfly Valve PN10/16 150LB
Actuator:Gear Box,Pneumatic,Electric
Body:Ductile Iron GGG50,WCB
Disc: Ductile Iron,
Seal: EPDM,304,316
Shaft:45#,410,416,304,316
Bolt: SS201

Metal Seal Gate Valve PN10/16
Actuator:Handle Wheel,Pneumatic,Electric
Body:Ductile Iron GGG50
Gate: Ductile Iron + Brass
Seal: CF8 304,CF8M 316
Shaft:410,416,304,316
Nut: Brass
